Blundering Billy

Blundering Billy has the name of being the most ridiculous farce comedy ever presented on the local boards, and will be staged at the Temple Theatre, Friday night April 19, by the Wesley Adult Bible Class and the Baraca Class, of the M. E. Church South, for the benefit of the new Methodist Church here. Three of the young ladies of the Philathia Class have kindly accepted parts and will add greatly to the fun. If you want to laugh or help a good cause, either one, don't forget to come for you will do both by so doing.

A scream from beginning to end.

An all star cast of local talent. Prices—down stairs, 50c, balcony 35c, children, 25cents.

Beverly of Graustark will Attend

George Barr McCutcheon's noted "Beverly", which was staged here Tuesday night was greatly enjoyed by a large and attentive audience. Each actor deserves much praise for his splendid work. Every one regrets that there will be only one more show here this season with the exception of "Blundering Billy" a home talent, for the benefit of the new Church.

Baraca Boys Made Good Tuesday and Wednesday Nights

The Baraca Boys' who took charge of the Idle Hour Moving Picture Theatre on Tuesday and Wednesday nights April, 9th, and 10th, did better than they expected owing to the circumstances.

After everything was settled the boys found they had \$6.10 clear money, which will go to benefit the new Methodist Church fund.

The class wishes to thank those who helped them out, both by coming and helping sell tickets.

This class expects to make good on every thing they undertake, which we think they will do, as all the boys' are upright, manly fellows, and believe in having a good time with clean and wholesome fun, and also to make that fun profitable.

THE EARLINGTON PASSENGER STATION

Will be Moved and Remodeled Soon—To be Moved One Block South

NEW QUARTERS FOR TRAIN DISPATCHERS

The Semi-Weekly Bee has inside information that the present passenger station will be moved one block to the foot of Farran Avenue in the near future. The plans and specifications have been submitted on approval for an addition and general remodeling of the building.

Permanent quarters for the train masters office, dispatchers office, supervisors office and assistant Superintendents office will be in this building. The L. & N. company

is now investigating the possibility of making Earlington the terminus for chain gang, engineers and fireman. It is more than likely that this will be done. In case this move is made it will necessitate the building of quite a number of new houses here as there are no vacant ones to be had. This with the contemplated repairing and enlargement of the roundhouse will keep this place a busy little during the Summer and Fall months and the sound of the hammer and saw will be heard in the land.

W. S. Bailey, McCreary, Ky., is willing to verify his statement as given herewith. He says "My wife had a severe attack of la grippe that terminated into bronchitis. She coughed as though she had consumption, could not sleep and her medicine gave no relief. She was advised to try Foley's Honey and Tar Compound and she continued using it until she had taken three bottles, which effected a permanent cure." Sold by St. Bernard Mining Co., Incorporated, Drug Department.

The Selling Out Sale

Is now going on in full force, and continue until everything is sold out.

THE BEST PROOF

Earlinton Citizens Cannot Doubt It

Doan's Kidney Pills were used—They brought benefit.

The story was told to Earlinton residents.

Time has strengthened the evidence.

Has proven the result lasting.

The proof convincing.

J. H. Thompson, plumber, Princeton, Ky., says: "I am, thoroughly convinced that there is no other remedy on earth as good for disordered kidneys as Doan's Kidney Pills. I was troubled for five years with backache and other annoying symptoms of kidney complaint. During the early part of the winter when the cold weather set in, I was sure to have an attack of lame back that would make it impossible for me to work for days at a time. I tried many remedies but got no relief. It was just about a year that I was laid up and when a friend advised me to try Doan's Kidney Pills I got a box. I began taking them according to directions and in two days was back to work, feeling better in every way. I do not have backache now and my health has been greatly improved."

The above statement was given February 6, 1903 and when Mr. Thompson was interviewed on February 8, 1912 he added: "I am glad to confirm the public statement I gave four years ago praising Doan's Kidney Pills. Whenever I have occasion to use this excellent remedy, I have been greatly benefited."
